

What *your support* helps make possible

Every young person deserves a safe place to call home and the opportunity to build a hopeful future.

However this winter, many young people across Brisbane will not know where they will sleep, how they will stay safe, or who they can turn to for support.

More young people need support now more than ever.

In 2024-2025, Brisbane Youth Service provided 82,992 occasions of support – up from 68,310 the previous year.

By taking part in Daggy Jumper Day, you can help young people find safety, support, and stability when they need it most.
